

Max decides to tap the alarm in advance for the purpose of saving Chloe

Max and Chloe become best friends and start hanging out together and having fun all the time

While Max and Chloe are outside, Chloe sees the photo that Max took for the butterfly in the bathroom and discovers that Max was the person who saved her life.
A while after, Max gets dizzy and pass out

Max gets dizzy and pass out to see the same dream(or vision) she had but this time she follow a doe to reach a place where she see a magazin that got the exact date of the tornado which was Friday 11.
Only 4 days away from their date

Chloe wakes Max up making sure that she is okay
Max starts to tell Chloe about the vision she got but Chloe doesnt buy anything from the story
Then suddenly the weather totally changes and it starts snowing
Chloe see this and she becomes open to anything Max will tell her

Chloe asks for proof to believe her friend Max.
Max decides to play a game with Chloe
Max asks Chloe to show her what is in her pocket right now, then Max goes back few minutes in time to show her how she can predict the future
Chloe gets amazed and starts to believe whatever Max tells her.
